

Strategic Initiative for HIV/AIDS Care and Prevention  
Funding Committee Meeting  
January 8<sup>th</sup>, 2009

Where Do We Need To Be

- Speak with Department of Education
- Show unity with organizations and reduce redundancy
- Look at becoming less reliant on federal funding
- Expand integration of services with non-HIV agencies
- Make intake process less intimidating
- Bring it back into focus
- Hit faith-based community differently (more effectively)
- Get more HIV- involvement
- Focus on EARLY treatment
- Outreach to medical community
- No duplication of services
- HIV care is integrated with non-HIV care and services
- Collaboration with service funders and providers
- Funding raising strategies are sustainable
- Services are cost effective
- Services measure quality outcomes
